

# HIGHER LEARNING GUIDE

“Throughout the centuries, when the vast majority of Europe was illiterate, Jews maintained an educational infrastructure as their highest priority. It is no exaggeration to say that this lay at the heart of the Jewish ability to survive catastrophe, negotiate change and flourish in difficult circumstances.”

—Rabbi Lord Jonathan Sacks z”l

## SPRING 2025 EDITION

### TRINITY COLLEGE HILLEL

Jewish life at Trinity College has never been better! In addition to Shabbat each week, our community gathers for Jewish holidays and observances, often in co-sponsorship with other student organizations. With a kosher station integrated into the main dining hall, students join friends for kosher meals any time. Trinity Hillel provides opportunities for rich exploration and engagement with Jewish life, values, and culture. We strive to build a dynamic community with a sense of belonging to Jewish Peoplehood and commitment to *tikkun olam*.
